

MeSU Computing Platform

Account creation/renewal request

This form must be filled, signed by the applicant and its director, and sent by email to mesu@sorbonne-universite.fr. All fields are mandatory.

A computing account is valid for one year starting at the date of its creation/renewal.

The owner of the account commits to follow the usage rules of the platform and to notify the platform administration team in case of any change of its situation (change of laboratory, leave, etc.).
